I have provided the child care facility with written instructions from my child's physician, or from a health care provider working under the supervision of my child's physician (for example, a physician's assistant, nurse practitioner or registered nurse). These instructions include:

- Specific indications (such as symptoms) for administering the EpiPen medication in accordance with the physician's prescription.
  
- Potential side effects and expected response.
  
- Dose form and amount to be administered in accordance with the physician's prescription.
  
- Actions to be taken in the event of side effects or incomplete treatment response in accordance with the physician's prescription. This includes actions to be taken in an emergency.
  
- Instructions for proper storage of the medication.
  
- The telephone number and address of the child's physician.
